THE PLACE

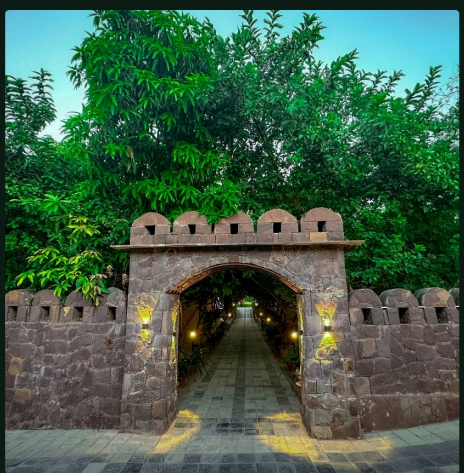

A rose-plaster hotel with *the hills behind*

A three-storey building in soft rose plaster, with arched Rajasthani windows and a pool courtyard. In front is a long, green lawn with a carved sandstone pavilion and palm trees. A stone gateway leads to a separate garden of cottages under the trees. On clear evenings the Aravalli hills turn dark blue behind it all.

TRAVELLING WITH CHILDREN

Easy with *children*

A pool of their own

A children's pool right next to the main one, so little ones can splash safely while you swim alongside.

Room to run

A big green lawn for cricket, football, volleyball and badminton, plus a play area. Ask the desk for the kit.

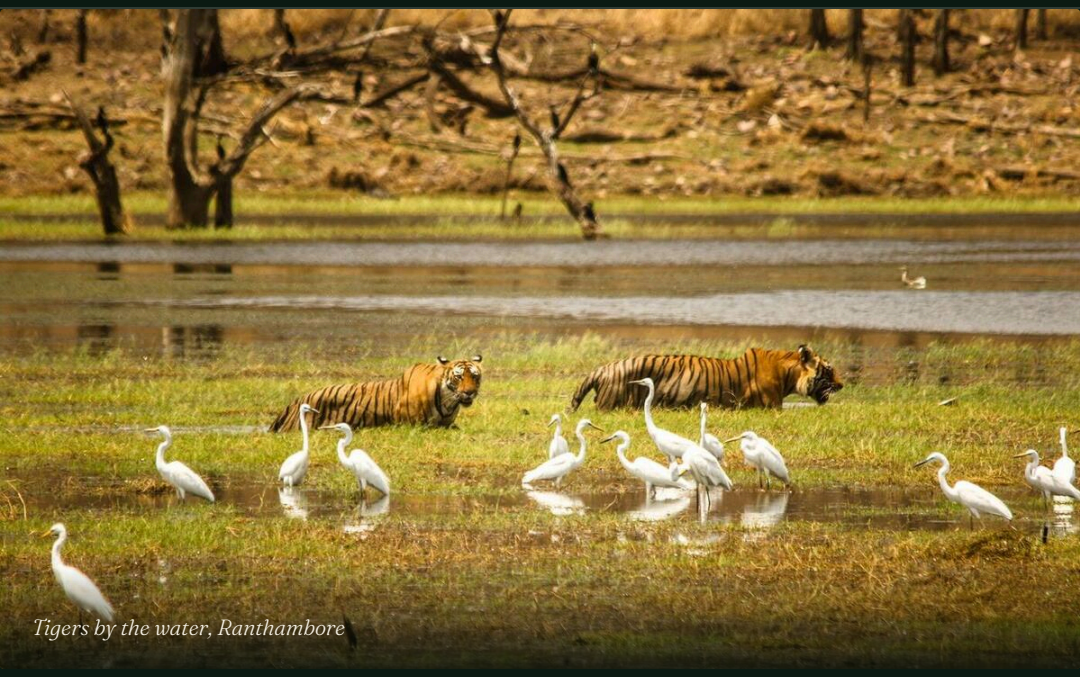

Food they'll eat

Simple North Indian, Chinese and Continental dishes, so even fussy eaters find something they like.

Child rates and extra-bed charges change by season. We confirm them with your quote.

Tigers by the water, Ranthambore

THE SAFARI · ARRANGED BY US

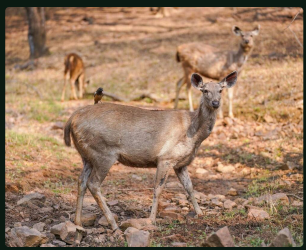

The reason you came, *handled end to end*

Ranthambore permits sell out weeks ahead and the zone you draw decides your day. We book the permits, match the zone to your dates, and the vehicle collects you from the lobby before first light.

- ✓ **Gypsy or canter:** a seat in a six-seat gypsy, or the 20-seat canter, the best-value way into the park.
- ✓ **Two drives a day:** sunrise and late afternoon, about three hours each. Most guests do two to three drives.
- ✓ **Permits, ID and the boarding slip** are prepared by us. You only carry the ID you booked with.
- ✓ **Sold out on the official site?** Ask us. We often still have options for your dates.

BEYOND THE SAFARI

A day that isn’t *only* about the tiger

The best Ranthambore trips mix the park with the history and the country around it. We arrange all of these from your stay.

Ranthambore Fort, a UNESCO World Heritage Site

Ranthambore Fort & Trinetra Ganesh

A thousand-year-old hill fort inside the reserve and the temple pilgrims write letters to. A morning or an afternoon.

Chambal river safari

A boat at Palighat, about an hour away, for gharials, mugger crocodiles and Indian skimmers. Three to four hours in all, booked by us.

Village & craft visits

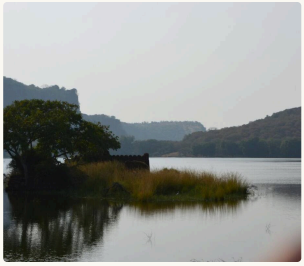

Rural life on the forest edge and the local crafts, textiles and painting the area is known for.

A birding morning

Close to 300 bird species live in and around the reserve. A slower drive with binoculars instead of a chase.
