3 Evenings with music

High tea with live folk musicians, dance on the open-air stage, and a bonfire under the stars whenever you ask for one.

PERFECT FOR

THE PLACE

A village of *mud and lime*, facing the hills

The resort was designed by pioneers of mud architecture. Walls are plastered with mud, cow dung and lime, with bamboo, thatch and teak in the details, and very little cement. Two-storey houses with red clay-tile roofs and timber railings line paved lanes. Local artists painted forest and tiger scenes inside. Behind it all, farmland runs out to the Aravalli hills.

Tigers by the water, Ranthambore

THE SAFARI · ARRANGED BY US

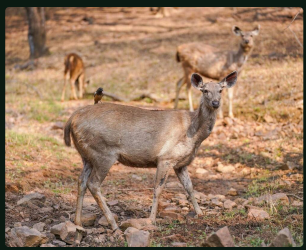

The reason you came, *handled end to end*

Ranthambore permits sell out weeks ahead and the zone you draw decides your day. We book the permits, match the zone to your dates, and the vehicle collects you from the lobby before first light.

- ✓ **Private gypsy recommended** for this stay: six seats, only your group, your own pace and your own photographs.
- ✓ **Two drives a day:** sunrise and late afternoon, about three hours each. Most guests do two to three drives.
- ✓ **Permits, ID and the boarding slip** are prepared by us. You only carry the ID you booked with.
- ✓ **Sold out on the official site?** Ask us. We often still have options for your dates.

BEYOND THE SAFARI

A day that isn't *only* about the tiger

The best Ranthambore trips mix the park with the history and the country around it. We arrange all of these from your stay.

Ranthambore Fort, a UNESCO World Heritage Site

Ranthambore Fort & Trinetra Ganesh

A thousand-year-old hill fort inside the reserve and the temple pilgrims write letters to. A morning or an afternoon.

Chambal river safari

A boat at Palighat, about an hour away, for gharials, mugger crocodiles and Indian skimmers. Three to four hours in all, booked by us.

Village & craft visits

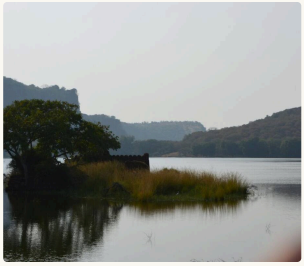

Rural life on the forest edge and the local crafts, textiles and painting the area is known for.

A birding morning

Close to 300 bird species live in and around the reserve. A slower drive with binoculars instead of a chase.
